---

## Total Health Conferences

### ESMO Review

Date of CE Release: 10-23-2021

Date of CE Expiration: 10-23-2022

Location: Online

### **Acknowledgement of Financial Commercial Support**

No financial commercial support was received for this educational activity.

### **Acknowledgement of In-Kind Commercial Support**

No in-kind commercial support was received for this educational activity.

### **Satisfactory Completion**

Learners must listen to each self-directed audio recording while following along with the visual slides/read the articles, complete an evaluation form to receive a certificate of completion. If you need MOC credit, you also need to pass a post-test with a score of at least 75%. Your chosen sessions must be attended in their entirety. You must participate in the entire activity as partial credit is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

### **Joint Accreditation Statement**

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and Total Health Conferences. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

### **Physicians**

Amedco LLC designates this material for a maximum of 9.50 *AMA PRA Category 1 Credits™* for physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### **Pharmacists and Pharmacy Technicians**

Amedco LLC designates this activity for a maximum of 9.50 knowledge-based CPE contact hours.

### **Nurses**

Amedco LLC designates this activity for a maximum of 9.50 ANCC contact hours.

### **American Board of Internal Medicine (ABIM) MOC**

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 9.50 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is

the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

**You must request your certificate within 30 days of the activity to meet the deadline for submission to PARS.**

## Objectives - After Attending This Program You Should Be Able To

1. Examine scientific advances that further enhance knowledge of cancer biology and pathogenesis; Implement clinical and scientific strategies designed to improve the quality of cancer care, as appropriate
2. Review recent and emerging data from key studies in clinical cancer research; Effectively communicate with colleagues and with patients regarding advances in clinical oncology science
3. Evaluate the role of new diagnostic techniques and therapeutic approaches as applied to the care and management of people with cancer; Identify and utilize tools for cancer risk assessment and risk reduction based on the best available evidence

## Disclosure of Conflict of Interest

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each individual in a position to control the content disclosed to Amedco. All of these relationships were treated as a conflict of interest, and have been resolved. (C7 SCS 6.1-6.2, 6.5)

All individuals in a position to control the content of CE are listed in the program book. If their name is not listed below, they disclosed that they had no financial relationships with a commercial interest.

Name	Commercial Interest:Relationship
Savanah Ponce	NA
