Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. If you need MOC credit, you also need to pass a posttest with a score of at least 75%. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Joint Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and Total Health Conferences. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians (ACCME) Credit Designation Statement

Amedco LLC designates this live activity for a maximum of 6.50 *AMA PRA Category 1 Credits™* for physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Pharmacists and Pharmacy Technicians

Amedco LLC designates this activity for a maximum of 6.50 knowledge-based CPE contact hours.

Nurses (ANCC) Credit Designation Statement

Amedco LLC designates this activity for a maximum of 6.50 ANCC contact hours.

American Board of Internal Medicine (ABIM) MOC

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 6.50 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

You must request your certificate within 30 days of the activity to meet the deadline for submission to PARS.

Objectives - After Attending This Program You Should Be Able To

1. Integrate new evidence into everyday clinical practice, thereby improving the quality of care being delivered to patients living with and beyond cancer.
2. Implement practice changes in a variety of treatment options for solid tumors, including lung, breast, melanoma, colorectal, non-colorectal GI, and GU cancers
3. Stimulate innovative strategies for new and additional research related to treatment and prevention.
